

# KAIRA CAN COMPANY LIMITED

*Preserving the Goodness through  
Innovative Packaging Solutions*

# The Can Maker

Kaira Can Company Limited is one of the leading manufacturers of metal containers. The Company manufactures a wide range of OTS and General Purpose Cans for packing Processed Foods, Ready-to-eat Foods, Canned Vegetables, Fruit Pulp, Juices, Pickles, Dairy Products, etc. and Aerosol cans for Deodorants, Room Fresheners, Pesticides, etc.

Some of the leading manufacturers of these products rely on Kaira Can for their packing needs.

The plants are fully equipped with Automatic Can Manufacturing Lines, having a production capacity of 100 million cans per annum, to produce cans in diameters ranging from 52 mm to 178 mm.

Kaira Can has a well equipped laboratory for testing raw materials, products in process and final products.

Kaira Can lays emphasis on Research & Development and is constantly in the process of developing new types of cans and components. Kaira Can also provides technical assistance and guidance in can handling, filling, seaming, etc. at customers' processing plants.

The wide experience and use of the most sophisticated technology as well as adherence to quality standards, enables Kaira Can to offer a quick and quality response to changing market demands and customers' specifications.

Kaira Can has also diversified into processing, packing and distribution of Amul Milk in Mumbai and its suburbs. The Company also manufactures Rolled Sugar Cones for Ice-creams.

# Product Range

## OTS Cans

Open Top Sanitary Cans are extensively used for packing fruit pulp/juices, processed foods, ready-to-eat Indian varieties of vegetables, etc. They are manufactured from high quality prime electrolytic tinfoil of desired tin coating suitable for packing these products. Appropriate lacquering system is adopted wherever necessary to act as a protective barrier between the contents and the cans.

### Specifications

#### OTS Cans

Item	Size of the Can	Capacity	Tin Coating (gm/sq.mt.)		Thickness
			Inside	Outside	
5 1/2 oz Juice Can	202X308	165 ml	11.2	5.6	0.19
250 ml Juice Can	202x504	250 ml	11.2	5.6	0.19
4 1/2 oz Fish Can	301x203	200 gms	11.2	5.6	0.21
400 gms	301X315	400 gms	11.2	5.6	0.21
No. 1 Tall	301X409	450 gms	11.2	5.6	0.21
A 2	307X407	540 gms	11.2	5.6	0.22
A 2 1/2	401X411	850 gms	11.2	5.6	0.24
A10	603X700	3.1 kgs	11.2	5.6	0.28
A 79	700X900	5.2 kgs	11.2	5.6	0.28
